

WHY PRESTON?

THE RIGHT PARTNER MAKES ALL THE DIFFERENCE

We Make Implementing Wireless Easy

As Western Canada's #1 Bell Authorized Dealer and Metro Vancouver's only full-service end-to-end wireless business solutions provider, we have demonstrated commitment to our corporate clients by working closely with them to provide the necessary products, solutions and services to increase efficiencies and maintain competitive advantages for our clients.

Customer Success

Having over 50 years of combined wireless experience from our Leadership, Account Management, Customer Success and Wireless team, Preston Mobility has been known for providing an exceptional service and support. We pride ourselves on the partnerships we create with our customers; from taking a consultative approach in selecting the right solution to training employees on how to make the most of their solutions, we are here for you.

Does your company have more than 10 phone lines?

If so, you qualify for special corporate pricing from Bell.

Leading Businesses Choose Preston Mobility

We have helped companies across the hospitality, legal, construction, security, shipping, retail and service industries save an average of 33% over their previous wireless costs – over \$9 million now.
