

CPA National Wireless Pricing Offer

Preston Mobility and Bell Mobility are pleased to introduce a new National Wireless Association Offer exclusively to the CPA Association locations across Canada. By leveraging the CPA's large Association network, we were able to negotiate aggressive national pricing with Bell, to offer the maximum possible savings and value to individual Association locations.

Some highlights include:

- Discounted Plans at \$45 with 3GB data to \$65 with 10GB of shareable data
- \$400 per line in port-in Credits*
- Bonus \$200 Hardware Credit
- Plans are fully loaded with all features at no additional cost
- Used Hardware buy-back program for additional savings
- Industry leading service and support from Preston Mobility
- Ongoing discount on accessories such as cases, chargers, hands-free Bluetooth devices and more from Preston Mobility
- Benefit from Canada's largest and fastest high speed LTE network, and free unlimited access to Canada's largest Wi-Fi network at Bell hotspots

*Credits are applicable when porting in from another carrier (current Bell, Virgin or Bell MTS clients not eligible)

Tom Stamatakis, President,
Canadian Police Association

"I have known Darelle and been a wireless customer of his for over 13 years. I can attest that the service and support is responsive, proactive and all-encompassing. I would not hesitate to recommend Preston Mobility. We recently switched to the new Bell CPA National Association Pricing Offer and saved 48%."
