

National Franchisee Corporate Wireless Pricing Offer

Pricing so good, you'll want seconds.

Preston Mobility is pleased to partner with RAMMP Hospitality to offer Mr. Mike's Franchisees across Canada access to national corporate wireless pricing. By leveraging RAMMP's growing Franchise network, we were able to negotiate aggressive national pricing with Bell, to offer the maximum possible savings and value to Mr. Mike's Franchisee's.

Some highlights include:

- \$600 per line in Credits*
- Over 60% savings off Consumer Plans
- \$58 per month with 5 GB of shared Data
- Unlimited North American Calling from Canada
- Unlimited International Texting from Canada
- Benefit from data sharing to add tablets and save.
- Built in discounted roaming. No travel packs needed on corporate plans
- Used Hardware buy-back program for additional savings.
- Industry leading service and support from Preston Mobility
- Ongoing discount on accessories such as cases, chargers, hands-free Bluetooth devices and more from Preston Mobility
- Benefit from Canada's largest and fastest high speed LTE network, and free unlimited access to Canada's largest Wi-Fi network at Bell hotspots

*Credits are applicable for non-Bell, Virgin or MTS clients

Sound Appetizing?

We are offering to perform a **Free, No Obligation Wireless Analysis for all Mr. Mike's Franchisees.** This is not a sales pitch. This is an in-depth review of your wireless account to determine how much you can save.
