About Homebuilders Association Vancouver (HAVAN).

HAVAN is British Columbia's largest and Canada's fastest growing Home Builder Association, representing more than 1,100+ companies in BC's multi-billion dollar new home construction and renovation industry; including Vancouver's largest residential developers, custom home builders, renovators and suppliers to the industry. As a non-profit association, HAVAN represents the residential construction industry across the Lower Mainland, and is focused on liaising with local governments and housing industry groups, providing education and training, public visibility and recognition of the industry and networking opportunities for its members, in addition to various seminars for home owners and buyers.

HAVAN Annual Fall Classic Golf Tournament, the Industry's Premiere Event.

The HAVAN Fall Classic Golf Tournament, presented by Preston Mobility, is the associations' annual marquis networking event, attracting an A-List of who's who builders and industry leaders. Held on Wednesday, September 4th at the prestigious Lee Trevino designed, Swan-e-Set Bay Resort Golf & Country Club, this two course tournament sells out each year! The entire facility from sunrise to sunset is booked exclusively for HAVAN's 288 golfers, plus over 100 additional attendees for the banquet festivities. It is one of the largest tournaments of its kind in Western Canada.

Due to the high profile nature of this event and the demographics of the attendees, the Fall Classic Golf Tournament garners the participation of more than 40 major corporate sponsors including such companies as Preston Mobility/Bell Mobility, Samsung Canada, Fortis BC, Royal Bank of Canada, Caesarstone Canada, BCIT, Centra Windows, Vesta Properties, Metro News, Wolrige Mahon, Federated Insurance, Trail Appliances, Portrait Homes, Dick's Lumber, and Travelers Canada - all of whom participate at the event.

Actions Beyond Auctions.

*Not Just Business and Golf, this Event
Helps Support a Great Cause.*

Each year, HAVAN in partnership with the Centra Cares Program and Forge Properties, provides BCIT Scholarships to four deserving students of the Carpentry Framing and Forming Program, funded by proceeds generated from the silent and live auctions, being held during the tournament's banquet. These scholarships help support the educational and financial needs of students looking to build thriving, productive careers in our industry.

BCIT students recipients of the HAVAN / Centra Cares / Forge Properties Scholarships at recent AGM (From L-R); Luke Evans, Ciaron Driscoll, Farokh Alipour, Marcus Capaz.

2019 FALL CLASSIC GOLF TOURNAMENT

Make Noise in Our Silent Auction Opportunity.

It may be silent, but the impact is massive. The silent auction is a major contributor to the success of the tournament and fundraising for the BCIT Scholarships. We are looking for support from our members to get involved and donate. Silent auctions are a great opportunity to donate your services and products, or the products and services of your vendors, partners, or the companies you represent.

Featuring over 50 highly valued and desired lifestyle items such as electronics, event tickets, home appliances and professional services, the silent auction is set to garner the attention and excitement of our 375+ guests throughout the evening's reception and buffet dinner. Items displayed throughout the banquet hall will provide the perfect opportunity for you to showcase your brand!

Products and services from you and your vendors or partners will help promote your company. Suggested Silent Auctions items include: "experiences", sports tickets/seats such as Canucks/Lions/FC Whitecaps, VSO Theatre tickets, personal and home electronics, household appliances, gift baskets, gift cards, weekend hotel stays, restaurant gift cards, spa treatments, sports memorabilia and collectibles, artwork, photography sessions, sports equipment (golf), wine or spirits, excursions, outdoor equipment (yard, camping, etc.), gardening or landscaping services, wine tasting event, flights, furniture and car servicing or detailing. Suggested value \$200+.
